Upcoming events for IT professionals

ITWeb POPI Update II 2017

21 NOVEMBER 2017, SUMMER PLACE, HYDE PARK

ITWeb POPI Update II 2017 is focused on the answers to these key questions - what is POPI: The Protection of Personal Information (POPI) Act explained; how the PoPI Act affects business; what is the latest ito of PoPIA and expected commencement date/s? By attending this update you will gain insight into these questions and how you can start preparing yourself for the inevitable. The fact that the POPI effective date is some way down the line does not mean that companies should not already be starting the process of complying with the POPI Act - because POPIA is not going away and the regulations are not expected to change much in the meantime. Avoid hefty fines or jail time.
